Please join us

On behalf of Lori, Carl, and Michael, I would like to invite you to attend the 29th National Conference on Problem Gambling. Nowhere else will you find the biggest and best lineup of responsible gaming and problem gambling specific speakers, the most networking opportunities with peers in the field, and the widest collection of stakeholders. We've worked hard to make this the **must attend** conference of the year. The organizers, speakers, exhibitors and attendees are leaders in prevention, education, treatment, responsible gaming, research and recovery. Come connect with all of us in beautiful Baltimore!

WHY YOU SHOULD ATTEND

Earn up to 30 CEUs in just four days. The two-day Pre-Conference Workshops are a great opportunity for hands-on training in a small group. Pre-Conference Workshop topics include:

- Prevention
- Mindfulness
- Motivational Interviewing
- Peer Support
- Treatment and Recovery
- Clinical Supervision
- Problem Gambling Helpline

The two-day Main Conference will feature more than 45 high-quality presentations on:

- Problem gambling prevention, treatment, research and recovery
- Responsible gaming
- Regulatory issues & legislation
- Public awareness and outreach
- Community and culture

Registration includes continental breakfast, lunch and coffee breaks each day, as well as the Thursday Night Welcome Reception.

NETWORKING

From the Thursday Night Welcome Reception to many networking breaks to the optional social activities — including the Friday Night Highlight Event at the must-see American Visionary Art Museum — the NCPG Conference provides many opportunities to see old friends and meet new ones.

KEYNOTE SPEAKER

GETTING REAL ABOUT GAMBLING DISORDER: HOW THE AMERICAN SOCIETY OF ADDICTION MEDICINE CRITERIA CAN HELP

David Mee-Lee, MD is a board-certified psychiatrist and is certified by the American Board of Addiction Medicine. Based in Davis, California, he trains and consults both nationally and internationally. Dr. Mee-Lee is Chief Editor of the American Society of Addiction Medicine's Criteria for the Treatment of Addictive, Substance-Related, and Co-Occurring Conditions and is Senior Vice President of The Change Companies. He is also a Senior Fellow, Justice Programs Office of the School of Public Affairs at American University in Washington, DC. Dr. Mee-Lee has over thirty years' experience in person-centered treatment and program development for people with co-occurring mental health and substance use conditions.

PLENARY SPEAKERS

GAMBLING-RELATED HARMS: THE GAMBLING EFFECTS SCALE

Alex Blaszczynski, PhD is a Professor of Clinical Psychology at the University of Sydney, where he is Director of the Gambling Treatment Clinic and the Responsible Gambling Research Group. He is a researcher and clinical psychologist with a long history of involvement in treatment and clinical research covering a range of impulse

control disorders, in particular, pathological gambling. He is a founding member of the Australian National Council for Problem Gambling and of the National Association for Gambling Studies. He is the editor of *International Gambling Studies* and a regional assistant editor of *Addictions*. In 2014, he received the NCPG Lifetime Award for Research.

A STEP BY STEP GUIDE FROM ANONYMITY TO ADVOCACY

Carol O'Hare has been advocating for problem gamblers since her own recovery journey began in Las Vegas, Nevada in January 1991. As Executive Director of the Nevada Council on Problem Gambling since 1996, Ms. O'Hare provides leadership to carry out the organization's mission of awareness, education and

advocacy. Through collaborative efforts with industry and community stakeholders, she has contributed to the development of industry responsible gaming initiatives and groundbreaking public policy to reduce the impact of problem gambling in Nevada. Ms. O'Hare currently serves as the Chair of the State Advisory Committee on Problem Gambling and in 2014 she was awarded the prestigious Monsignor Joseph Dunne Lifetime Award for Advocacy by the National Council on Problem Gambling.

That's
**BAWLMER,
HON!**

Baltimore and its Inner Harbor are a historic seaport, tourist attraction, and landmark all in one. Founded in the 1600's, Baltimore City offers its own unique mix of history, culture and shtick. The conference hotel, Hilton Baltimore Inner Harbor, offers the ideal location for fun and exploration. Arrive before the conference, or stay after. Discover 12 museums, 10 attractions, 2 sports stadiums and 8 historic neighborhoods just "two feet" away from the Hilton, within a walkable 3-mile radius!

Travel into Baltimore is convenient and accessible by three major international airports (within a 60-mile radius) and Amtrak's northeast corridor trains. Bring your family and enjoy the rich variety of activities Baltimore City has to offer. We look forward to seeing you in "Bawlmer," Hon!

**JOIN US FOR A TASTE OF BALTIMORE,
FLAVORED WITH CAMARADERIE AND FANTASTIC ART.**

FRIDAY NIGHT HIGHLIGHT EVENT A SUMMER NIGHT AT AVAM, HON!

"Visionary art as defined for the purposes of the American Visionary Art Museum refers to art produced by self-taught individuals, usually without formal training, whose works arise from an innate personal vision that revels foremost in the creative act itself."

**FRIDAY
JULY 10
6:00-9:00 PM**

**Ticket Prices
Early Bird
Adults – \$65
Children age 4-11 – \$45**

Includes round-trip shuttle transportation, tapas menu & admission to AVAM. Shuttles will run continuously between AVAM and the Hilton, with final departure from AVAM at 9:00pm.

Includes round-trip transportation, tapas menu and admission to the American Visionary Art Museum

Your summer evening in Baltimore begins at the Hilton Hotel where you'll board a shuttle to American Visionary Art Museum (AVAM). Whimsy, wonder and bling greet you as you arrive at the museum, located in the heart of historic Federal Hill. The brick Barn and sculpture garden are yours to enjoy—sip a refreshing beverage, mingle with friends and colleagues, nosh on delicious bites and move to the sounds of Baltimore Jazz!

Then stroll through the incredible, award-winning AVAM—guests will have full access to the 1st and 2nd floors of the museum. Many of the works reveal an engaging sense of humor as well as raise questions about mental and behavioral health.

Celebrate recovery! Artistic pieces by Marylanders in recovery will be displayed throughout the Barn. We invite you to pause, reflect and enjoy.

NETWORK ON THE MOVE!
