

TEENS WILL GAMBLE

- Online gaming
- Sports betting
- Cards
- Dice

Did You Know:

- 33% of Maryland high school students gamble.
- Of that group, 30% will develop a gambling problem.

SIGNS A TEEN MAY HAVE A PROBLEM DUE TO GAMBLING:

- Begins to sell personal belongings
- Borrows money from friends and family and does not repay it
- Withdraws from family and other activities
- Appears moody or depressed
- Has large amounts of cash that cannot be explained
- May lie or steal
- Spends hours on online gaming sites
- Has unexplained absences from school or work

GAMBLING IS ILLEGAL FOR ANYONE UNDER AGE 18

***gam-bling* ~ Any activity or game where you risk money or something of value on an outcome that is not guaranteed.**

If you or anyone you know is struggling with problems due to gambling behavior, call **1-800-GAMBLER** or visit **www.helpmygamblingproblem.org**
