Gambling Disorder Screening Day

Gambling problems
often go undetected.

A problem gambler will
affect 7-10 people
in their immediate circle.

People can be addicted
to gambling.

Recovery from gambling
problems is possible.

SCREENING for problem gambling/gambling disorder can open the conversation about gambling and provide a direct connection to helpful resources, such as “no cost” counseling for Maryland residents.

If you or someone you know is struggling with problems due to gambling behaviors, call, text or chat TODAY!
