

**Gambling and the Family**

Problem gambling is not just an individual problem, but can disrupt entire families. Help is available and recovery is possible for families who are dealing with a gambling addiction.

- warning signs there may be a problem:**
- Preoccupation with gambling
  - Unexplained debts or other financial problems
  - Unaccounted for mood changes
  - Isolation and withdrawal from family and friends
  - Lying about bills, bank statements and other financial data
  - Missing personal items such as phones, jewelry, other valuables
  - Borrowing of money from family, friends or employer

If any of these statements sound like someone you know, we can help!
