

GIFT RESPONSIBLY

Lottery Tickets
Aren't Child's Play.

**This holiday,
gift responsibly -
give a child a gift, not
a ticket.**

**And have the
conversation
with your whole
family about
the risks of
gambling.**

Children who gamble
by age 12 are 4x more
likely to become
problem gamblers.

Percentage of Maryland Youth
problem gamblers
is greater than the
2% average for Adults.

Call the **Maryland Helpline if you or someone
you know is struggling with gambling problems.**
